

## Jason Kaufmann

Managing Director

**Areas of Focus:**

- Mergers and Acquisitions
- Private Equity Investments
- Defense Technology
- Government Services
- Cybersecurity

Jason brings to The Chertoff Group over twelve years of investment banking and private equity investing experience, exclusively focused on middle market defense and government services companies. During his career, he has advised on over 50 merger, acquisition, private placement, and corporate divestiture transactions worth over \$2.5 billion in deal value. He has advised and closed transactions with many of the leading firms in the defense and government services market, including AECOM Technology Corporation, BAE Systems, The Boeing Company, CSC Corporation, Honeywell International, Lockheed Martin, ManTech International, NCI Information Systems, Raytheon Company, and Veritas Capital.

At The Chertoff Group, Jason provides M&A advisory services to the firm's clients to assist them in achieving their strategic objectives. Prior to joining The Chertoff Group, Jason was a Senior Vice President at BB&T Capital Markets | Windsor Group. He began his career with Jefferies Quarterdeck.

Jason received a MBA from the Darden School of Business at the University of Virginia, and a BS from Georgetown University.
