

## Paul Davis

Associate

### Areas of Focus:

- Homeland Security and Cyber Security
- Risk Management and Risk Assessment
- International Growth Strategies, Development and Execution

As an associate at the Chertoff Group, Mr. Davis helps companies achieve their strategic objectives by leveraging our expertise in the security and defense markets. Prior to joining the Chertoff Group, Paul Davis completed graduate studies in international affairs in Canada where he was involved in North American trade and defense issues.

Mr. Davis received his B.A. from Calvin College and his M.A. from the Norman Paterson School of International Affairs (NPSIA).
